

# Canary Islands - Underwater Photography - Events

by Rolf (derFotoKREBS)

Combining your holiday with a photography workshop or coaching? Or do a photo-shoot while being on vacation?

You can do all that with me!

I offer you the opportunity to visit an underwater photography event (workshop and coaching) on Gran Canaria during your vacation on this beautiful and varied island.

**Enjoy browsing my events – Rolf**

# Underwater - Photography (for Photographers)

**Date:** individual venue date

**Location:** Gran Canaria

You want to know more about photography or make new experiences during your vacation? And you want to know how Rolf "derFotoKREBS" does underwater photography? And of course you want to try it yourself, too? I am CMAS diving and underwater photography instructor and teach you how to do it.

**This event is possible upon request during this period. I also have 3-4 experienced underwater photography models available (see photos below).**

No matter if you are a complete beginner in underwater photography or an experienced UW photographer, you will get professional support from me and experienced models for your own underwater photos. I will teach you the theoretical basics and the practice: equipment, diving, light, etc. so you get your perfect underwater photo!

**Cost:**

399,-- EUR solo workshop (approx. 3 hours)

299,-- EUR/participants, if 2 participants (approx. 4 hours)

**Cost includes:**

- Event fee
- Theoretical session
- Modelling fee
- Transfer during the event
- Underwater-camera-equipment rental cost

**Please bring:**

- your own camera gear (for some making-of's)
- dive mask (if you have)

**Participation is at your own risk!**

## Rolf Krebs

... I live and work as a photographer in the beautiful wine region of Trier/Luxemburg. But Gran Canaria has also left its imprint on me. I am several times per year on Gran Canaria.

Being a passionate diver/dive instructor I do also underwater photography.

My photographic work:
